

# The Ultimate Field Trip!

No Bus. No Permission Slips Required.

Take the whole class on the ultimate Field Trip with an interactive 360° tour of historic Machu Picchu with 3-D animations, HD-video and hi-res photos.

All that and you don't have to leave your classroom.

Like all field trips, we have to know who wants to go so we can plan the trip and produce the book. With your help we can inspire children all over the world to visit this place and others they may never get to go in person.

But time is running out. The pledges have to be raised by May 2, 2012 or this interactive journey will not take place.

Go to <http://alturl.com/4doap>. You don't even have to tell the office you're leaving. (But do tell all other teachers and parents you know!)
